My dear Sir

I am very tardy in returning the volumes of
 Dr. Byrom's works - because I felt that after all,
 I had little to say to my purpose. I send them now,
 - but I am afraid you will be disappointed. May
 I ask for the volumes of the New Edition, which
 I have not received. The 6th was the last sent
 to me I think - ^{to see how he proceeds with the engraving - for} the last of the "Life" it was. I
 have not yet seen Mr. Linder, - I have not long
 returned to town - and have been much occupied
 since I came back. I have placed my son at
 Bowrow - & spent a week with some friends
 of mine, who have a house there - The school
 is in excellent spirits now - and Perry is very
 happy there - I hope that you & your family are
 quite well. I am, Dear Sir truly Yrs. G. P. Haged
